MISSION

At St Teresa's School, we undertake to respect and accomplish the directives set out in our schools Ethos Policy and Vision Statement. Our ultimate goal being that of ensuring that all of our learners are effectively equipped to participate fully and with confidence, in adult life.

Our mission is focused upon:

- ❖ Providing a Christian education in a secure, structured and family environment, where valuable inter-personal skills are fostered.
- ❖ Supporting and augmenting the efforts of our parents as they nurture and encourage their children.
- ❖ Enabling our learners to value their own uniqueness, in order to develop a healthy self-image.
- ❖ Emphasising individual attainment rather than unwholesome competitiveness.
- ❖ Encouraging personal responsibility for self, relationships, the respecting of possessions and the sustainment of the environment.
- ❖ Continually researching, evaluating and updating our curriculum and teaching methodology thereby maintaining our tradition of excellence.

ETHOS POLICY

St Teresa's School is guided by the example and tutelage of Catherine McAuley, the foundress of the Sisters of Mercy.

We acknowledge Christ as the central figure of our Mercy Education and we pledge ourselves to the proliferation of Gospel values.

We accept the challenge of providing an environment which respects and validates all individuals, enabling each person to live a fulfilling, creative and empathic life.
